**Kilmacud Crokes GAA Club** have recently completed a major upgrade and refurbishment of our main pitch at our clubhouse in Glenalbyn including new surface, floodlights and ball nets.

We are now in a position to offer local firms and businesses the opportunity to have a billboard erected advertising their business name and logo.

This investment will reap significant dividends in terms of profile raising and reputation as well as showing tangible support for the club.

The pictures of the pitch and illustration below provides some further detail on what we are offering.

In terms of cost, the fee for one year is €750, for two years €1350 and for three years €1800. The cost includes the design and creation of the sign using logo or name etc and the erection of the sign on specially developed stands around the pitch.

We look forward to your support and as we have limited number of slots available, you might indicate your interest as soon as possible to [info@glenalbyn.ie](mailto:info@glenalbyn.ie)
