

2nd May 2024

Dear Donie,

On behalf of Brain Tumour Ireland, I wish to extend our sincere appreciation for the generous donation of €5,030 from the cycling event held in March by the KC Wheelers.

Brain Tumour Ireland's mission is to provide information and support to people with a brain tumour, their carers, families and friends, as well as medical and other relevant professions. We aim to raise awareness of brain tumours and advocate for Ireland to be a world leader in brain tumour research, diagnosis, treatment and care. This donation goes a long way towards us meeting these goals.

Thank you once again from everyone at Brain Tumour Ireland for your support of our work.

Yours sincerely,

Fiona Keegan
Chief Executive Officer
Brain Tumour Ireland
